

Once again, thank you to all those who enthusiastically participated in the 4th annual Storm the Mountain Adventure Challenge. We had 49 registered teams (145 persons) - all but two were able to make it to the event in spite of the poor road conditions Friday.

The scores are noted below. The times are included keeping in mind that the start-times for the 4-hour events were staggered. A number of teams were also delayed finishing due to the passing of a train.

With the exception of 10 (which we now believe is missing), 18, 20, 21, 33 and 41, all controls were punched at least once, although in some instances (12, 13, 19 and 38) rarely.

Hope to see everyone back next year!! In the meantime, if you have comments or suggestions on the event, please do not hesitate to tell us – we appreciate feedback.
